

Reflecting the Fire of the Holy Spirit

A Mini Retreat – Designed for Confirmation Students
45-50 minutes

What This Retreat is All About –

"Reflecting the Fire of the Holy Spirit" invites those preparing for the Sacrament of Confirmation to stop, think, remember, and awaken the fire of the Holy Spirit, through activities, prayer, and meditation. Let this time strengthen the faith and reignite the flame of divine love.

For Group Retreats –

- The leader reads three times and will need to organize the retreat.
- There needs to be four readers, or two reading twice.
- Lined paper is at the end of the retreat script. Each person will need a pen or pencil. Students will need to sit at tables, so they may write.
- Reader two and three will need a Catholic Bible for their readings or you can print out the bible verses for them.
- If you choose to do the optional candle activity, each person will need a candle, and an adult will need a lighter of some type. You can also use battery powered candles.
- The retreat is dedicated to Confirmation students.
- The duration of 45-50 minutes depends on how much time it takes to answer or meditate the questions. Reading the whole retreat takes almost eight minutes. But, to meditate, answer questions, and complete activities, that is where the time goes. Please allow accordingly.
- A break may be taken, if needed, anywhere you choose.

Gratitude –
